

## **Kelley Stained Glass & Supply**

### **Intermediate/Advanced Stained Glass Class Info**

Thank you for your interest in our stained glass classes. We offer the largest supply of stained glass tools, supplies, and art glass in the state. The classes we offer are very informative and hands on. We pride ourselves on the quality of education you'll receive during any of our classes.

This class is a total of five nights over five weeks from 5:15pm to 7:45pm. Class will be one night a week, for five weeks. Students are able to arrive and set up from 5:00-5:15. The class will end at 7:45 and allow 15 minutes for clean up before the building is closed at 8:00. The non-refundable class fee is \$75, and is required to reserve your spot in the class. As part of this class, we offer an open environment in which to work. We also allow students unlimited use of our glass grinders and glass saw during class hours. All tools and any other supplies or glass you wish to use will be available for purchase throughout each night. If you do have your own grinder, please do not bring it.

Our Intermediate/Advanced class is the next step for anyone who has completed our Beginning Stained Glass Class and/or feels confident in their understanding of glass cutting, grinding, soldering, etc. If you simply need a refresher in some of these areas, this class is for you. If you need help deciding what class is most appropriate for your skill level, we are happy to help you decide based on past experience.

During each class, please note that all students will be required to wear safety glasses (also available for purchase) at all times. Students must wear closed-toe shoes to prevent injury. Furthermore, we suggest wearing shorter sleeved shirts throughout the year (bring a jacket when it's cold out).

Classes cannot be made up. We will make our best effort to get you all the missed information should you happen to miss a class, but we cannot repeat a class night for one person, as it would delay the rest of the class from moving ahead. Please be aware that class fees cannot be transferred within 14 days of the first night of class, or any time after the class has started.
