Stained Glass Studio Space

Thank you for your interest in our stained glass studio space. We offer the largest supply of stained glass tools, supplies, and art glass in the state as well as a large open work area.

This studio space is a total of five nights over five weeks from 5:15pm to 7:45pm. Studio is open one night a week, for five weeks. Students are able to arrive and set up their work space between 5:00-5:15. The studio time will end at 7:45 and allow 15 minutes for clean up before the building is closed at 8:00pm. The non-refundable fee is \$75, and is required to reserve your studio space. As part of this class, we offer an open environment in which to work and table space to do so. We also allow students unlimited use of our glass grinders and glass saw during studio hours. All tools and any other supplies or glass you wish to use will be available for purchase throughout each night. If you do have your own grinder, please do not bring it.

Our Stained Glass Studio is the next step for anyone who has completed our Beginning Stained Glass Class and/or feels confident in their understanding of glass cutting, grinding, soldering, etc. If you simply need a refresher in some of these areas, we suggest taking the beginning class again to make sure you have the dedicated instruction to get you going again. This Studio space is just that – a space in which to work on your own projects. Although an employee is available during the studio, the goal is to have a time and space to work on your own projects, not to receive detailed instruction.

During all studio time, please note that all students will be required to wear safety glasses (also available for purchase) at all times while cutting glass. Students must wear closed-toe shoes to prevent injury. Furthermore, we suggest wearing shorter sleeved shirts throughout the year (bring a jacket when it's cold out).

Studio time cannot be made up. Please be aware that fees cannot be transferred to a different Studio time date within 14 days of the first night of class, or any time after the class has started.

If you have any further questions at this or any time, please feel free to ask. To complete your registration for this studio, please fill out the information below and return it to our front desk or by email to Patrick.ksg@live.com. Once signed forms are received, payment will be accepted to reserve your spot. Thank you very much for your interest in our stained glass studio time.
